“ Praying for all the family. So Sorry For your loss. He helped me and other children change our lives and with our problems. He loved children and wanted to keep them out of jail and prison. He wanted children to make a career and right choices in life. I love him and thank him for his service. Because Mr. Justice and God did change my life. I thank him for not giving up on me.

“ Carl was a fine man who wore many hats can't remember a time when he wasn't working helping the young who was in need. He saved a lot of children from going into jails and prisons you will never be forgotten my friend. I remember when my son played football as he left personal items in his locker someone stole his class ring didn't take Carl long before he had that ring back on my son's finger. You will never be forgotten for your tireless service as an officer nor as a man of integrity.

“ Sorry to hear about Carl's passing. He was a great neighbor in the Enchanted Valley RV Park. When he and Molly would pass by my place, my Rat Terrier would bark at Molly.

I loved to see him take his cat out on a leash and I loved watching him feed the ducklings.

We shall miss him in the park.

“ Carl Justice seemed to be a household name, back when many kids needed someone in their corner. Our kids and most the teenagers in school had much respect for him, as did we! He was supportive to the kids, yet he was firm and didn't cut them any slack if they didn't listen. He earned and deserved the love and respect of the kids, parents and everyone who ever came in contact with him. Love, hugs and prayers to his loved ones and family!
