“ *Dear Amy, I was so heart broken when I read that u had received your Angel Wings. After thinking about it a few hours, I was smiling big.*

Now u don't have to worry about but one thing. That is enjoying yourself and letting ur daddy and Shirley entertain you!!! You know they can do that!!

I do wish I would have known u were in the hospital. I could have at least come to see u and say a prayer for ya!

I still and always will love you, Little Girl. Just smiling at what a good time we had when we visited those few days at Christmas!
