“ *Betty and C.U. were there at College Ave when I was called into the ministry in the 80's. They were always so supportive and encouraging to Jan and me. C.U. let me drive a race car in down town Douglas one day. We both hoped our wives didn't find out but we knew they would. Will enjoy the reunion one day.*

“ *Betty was a precious classy lady! After every visit or after one of our long phone conversations I always felt loved and so much compassion! Her genuine advice or wisdom left me feeling that no matter how hard life can be there's always something good to look forward too! And her encouragement to remember to pray daily for healing with my loved ones was the way we would end each one our conversations ! I will miss Betty greatly and she will be missed by many. I love you , Betty Skipper*
