“ Lurlyne and family, I am so sorry to learn of Beverly's passing. Even sadder that it's been so many years since we'd seen each other or talked. You know we were once unseperable and I cherish those times. She ran the race and she beat us home. Heaven has a wonderful welcome party awaiting us and we'll see her again soon! Praise God she is part of our future and not just our past. I love you all and I pray for your peace and strength in her absence.
