“ *Brother Billy was my Pastor in Swainsboro years ago. He and his family were precious to us. So many memories, like him singing "The Peanut" song. One that stands out is when a group of us teenagers planned to go to Savannah and hear Dallas Holm in concert (a popular Christian Singer at the time). When we told him that a group of us would not be at church that Wednesday night, he told us that if we went he would pray we had a flat tire. Shortly after we got on I-16, we heard the noise, we had a flat tire. The guys with us changed it and we made it to the concert anyway. We laughed about that for years. Brother Billy - another Saint safely home.*
