“ *I was beyond words when I saw that Brenda had met her appointment to join Jesus around His beautiful paradise! I went to school with her in Broxton and we were friends all the time, loved her mother and brothers and sisters, i Broxton we were just like family, we always made plans to meet and spend some time with each other but it never happened! I will miss just her big smile, Heaven has filled an empty space but there is a vacant one down here. I pray for the family to hold om to God's promise, He will never leave you nor forsake you. see you when my time comes! All my Love Glenda kight Courson*
