“ *Uncle Carl was my great uncle, and I only saw him once or twice a year. However, each time I saw him, he was full of joy, kindness, and encouragement. He seemed to always have a smile for me, a hug, a compliment, and a kind word. He is in a much better place now, and I know he is having a glorious family reunion in Heaven, maybe meeting my Bobby again and sharing a dance on the streets of gold.*

“ *My Uncle Boss was greatly loved and will be greatly missed. I don't ever recall being around him when he didn't have a big smile on his face and a funny story to tell. He made everyone feel special and loved and was special brother and best friend to my Mother.*
