“ You were the best friend and brother I could ever have had. "Uncle Carlos," I sure will miss you, but I know you are in a better place. You were always there whenever anybody needed you...always lending a helping hand...giving of yourself....giving your ALL. Our world will be lonely without you, but Heaven will be sweeter with you there! May God comfort Esther and take care of her til we all make it home to be with you. This world is not our home and Heaven is where I long to go! I love you, Uncle Carlos!
