“ *Aunt Jane, Wesley, Cynthia, G Children, G G Children, and Family - I have not done this before now, because I didn't know where to get started. I am just so sorry for your loss. You know, we have a loss, too. I won't begin to think how long you have been our neighbor and how we love your whole family. I thought Carla was right cute when she told her husband that I had been part of her life, her whole life. Anyway, as you know, Uncle Pete will be surely missed. Lots of Love! *“ I am so saddened and heart broken over the passing of my very best friend, mentor, and second Dad. Mr. Pete made me into what I am today. He was a kind and loving man with whom I lived with for more than 6 years. He taught me about the livestock business and I rode with him every day to the sales, helping him out with all the functions of caring for livestock. He helped pay my expenses to go to school in Kansas and become an auctioneer, and he taught me all the ins and outs of buying cattle and hogs. It is because of him, that I am still in the cattle business today as owner and operator of Southern Cattle Co. Recently I was able to visit and take pictures of our business barn and farm to share with him. Mr. Pete was so proud of my accomplishments and that my family was continuing in the business that we both loved.He was truly a good man and there will be a void that no one will ever fill his shoes.We shared so many memories together and I will miss him terribly. Rest in peace, dear one, and know you were loved and appreciated by me. all of my family extend our sincere sympathies to your family. Our thoughts and prayers are with you. From your other son,*
