So many memories fade away and we think of them often, but now that's all I've been thinking about, all the times we fought on who's going to sit in Papa's lap, or the time you drove granny's car in the ditch and we had to walk in the rain, all the Easter's we had on the farm, the day you got married, and not to mention I think you was by far the best babysitter ever! Lol I will miss you dearly, I loved your Facebook post they made me smile ever time I read them! I love you!!!

I remember Cindy, when she was a small girl and going to school with my daughter, she always had a smile. My prayers are with her family and hope they find comfort in this time of sorrow and in time I pray they will find a source of healing from the Lord above while remembering the good times they had with her.
