“ *Tommy, my heart is breaking for u and those precious children. I didn't really know Connie until she hosted a Tupperware Party for me so many years ago. Just like all the other people that have commented, I found her to be such a delightful and precious person.* ”

I remember her showing me all the vegetables she had canned. She had put so much love and hard work into every jar. Again, I am so sorry. Sending Hugs and Prayers! So glad I could consider Connie a friend!
