“ *To Shelby and the girls, it is a great honor to have known and loved our sweet sister- in- law, Libby. We have always loved her and all of you for these many years. The times we visited her or she and Shelby can to MS were or such fun. She could make us laugh and Shelby, you brought much joy to our lives during those younger years and when you married your sweet husband, Jeff, and had two beautiful daughters Heidi and Kelsi.*

*I am sorry we cannot make it to the funeral, but our hearts are grieving and we feel the depths of your grief from afar. As I think of you I pray that you are comforted to know heaven was Libby's reward. I know she will be greatly missed. Always remember the good times, and hold hold those memories close to your hearts. There will be a great reunion again someday. May the Lord give you the peace and strength you will need to deal with your great loss. We love you, Lenola Tennison and your MS family.*

“ *Shelby,*

*I am very sorry to hear about the passing of your mother and my Aunt Libby. She was such a sweet person. I remember the times that I got to be around her and she was always just a very kind lady and was always very pleasant to be around. I know she will be missed by you and your family. I regret that we lived so far apart and didn't get to visit more. My prayers are with you and the family that peace and comfort will be with you and that you'll be able to hold to the promise that you can see her again one day. Love you very much.*
