“ *Daphine and I were friends since grammar school at Satilla, along with all of our classmates. We all had many great times, classes, fun on the playground, school parties, spend the night parties. Different adventures for so many years. I still have a note she wrote to me way back then, on a scratch piece of notebook paper, I treasure it. Daphine aka...(Duck to many of us) was a beautiful, sweetheart and a blessing to all of us! She will be remembered, loved and missed always. Love, hugs and prayers.*

Where do I begin? Daffy Duck was my stepsister and I loved her very much.. she was full of fun in our younger days and always kept me in trouble.. 😂 we Gee up in hard times but we never knew they were bc we had a farm to roam around on and had plenty of work to do.. we grew up and went our separate ways but we still stayed in touch when we could.. she turned her life around and I was so happy to know she loved the Lord and that's what makes this a little easier.. RIP Daphine (Daffy) Lang you'll always be in my heart and those special memories we shared I'll keep close...

“ There's not enough words to describe this sweet lady that I was honored of being friends with. She always had the right words at the right time. Her love for Jesus was known by everyone who came in contact with her. She and I had become very close. I had seen her or talked to her on some of her roughest days, but she was blessed by the fact that Jesus gave her another day. One thing our Sunday School Class knew was that she was ALWAYS ready to go home to Jesus when it was her time. She told us that often. We can delight in the Lord knowing she's finally made it home. I'm positive that she's probably the happiest she has ever been just being in the presence of Jesus.

We are Praying for the family. We love you all.

Sincerely,

“ There are some people in this world that come to the Lord later in their life and one of those was Daphine. She had a powerful testimony, didn't mind sharing it and rejoiced in her life as a christian. If she were here she'd tell you it's never too late to give your heart to the Lord. Daphine was a sweet and loving woman who loved her family very much. She delighted in going all out for every member of her family. We had the privilege of sharing our families when her son and our daughter married. We know she's enjoying good health right now and we'll see her again.

“ Daphine will forever be in our hearts. She has been such an awesome inspiration of God's love. Because of her unselfish love and service we were able to bring Mrs Lang home from the hospital instead of a nursing home. We could never thank her enough for all of her care. We love and miss her, but we know she is rejoicing in the presence of her Saviour right now!
