“ *The earth is less one sweet soul. When we first moved to Nicholls, Lucy was 2, and she and I were home alone all day. Mr. David was here everyday at first because he was overseeing the metal roof replacement... I hope he knew what a source of wisdom and comfort he provided to me during those days. He always had an encouraging word and kindness just emanated from his presence. We were blessed to know him. He will be missed.*

Our prayers are with you today and in the days to come. The Lord is close to the broken-hearted. 🧡

“ Wanda and family, so very sorry to hear of the passing of David. He was a godly man and is sitting at the feet of Jesus. Our thoughts and prayers go out to all of you and may God give you the comfort as only he can in the next weeks, months and years to come. So very glad you both got to celebrate 50 years together and what a tribute that is today as couples get married and then do not stay together. Love to the entire family.

“ I have so many memories of this great man but the one that sticks out for me was when there was a rattlesnake in my yard and had 2 people with guns (big guns) shot at the snake and kept missing the snake. But the man we call Uncle Dave stopped by with a 2 shooter itty bitty gun that fit in the palm of his hand and poked his head around the tree and took a shot. He definitely was a straight shooter and here's the proof lol good ole Uncle Dave to the rescue. Rest in Paradise Uncle Dave & we love you! Prayers and love for the entire family from the Williams family 🙏
