“ *Extremely sorry for your loss. When I heard the news, I started having memories of our early days at Ambrose School then on to Coffee High and the graduation class of '67. He always made us laugh. He will be missed. Prayers to you Susan and the family.*

“ *Our condolences to the family of Donald Van Phillips from Rev. Jimmy and Linda Spires Hollis of Ambrose. It was hard to read that Donald Vam is gone. I had not kept up or seen him since returning home. about 2 weeks ago I was going to talk with Saralynn on Face book. I knew from your parents that he was a good man. You know we all have different reasons for not reaching out to people we knew, but I've made up my mind that I will as time permits to contact different ones I've known all my life. We started to 1st grade together at Ambrose and since we live close to the old school site reminds me of so many. God who gives us love will reach out to one another during these times. Saralynn or any family give me a call at 912-389-0976. Time is passing oh so close to each of us in our 60's. God is on His Throne and he hears all the pains you walk through this week and time beyond. God bid well to our friends until we all meet again on God's beautiful Shore.*

“ I had a call from Uncle Danny last night telling me that one of his best friends had passed away. Donald Van was a simple and good man. I remember those times when he would just stop in to say hello at the tractor dealership. I never saw him without a smile, sharing a joke or simply just asking how have you been?
Condolences from the Paulk family.
