“ I am very honored to have had such a sweet, fun loving, beautiful lady in my life. As one of your nephews it was so much fun to get to spend summers with you and I thank you for your love, kindness, infectious personality, and caring. You will be greatly missed and I am truly regretful that I could not spend even more time with you over the years. Rest in Peace sweet lady and always know that I love you more than you could ever know.

“ I have known Doris for many years. I also knew her precious mother. Doris was always the same friendly person every time I saw her. Always spoke and always very friendly. She was a great floral designer and went above and beyond to satisfy her customers. Once she needed a certain color candle and didn't have access to that color. So, she called the candle maker to find out exactly what to do and made her customer happy.  
RIP Doris! You will be missed.

“ I've known and loved this lady most of my life! She's the age of my mom but was more of a friend to me. I admired her wisdom and I cherished her love. I'm sad to say I didn't go to visit after she married. I was happy to see her find another love and one that would make her laugh! A very special lady, she'll be sadly missed. ❤️🙏🕊️
