“ Dale had the most beautiful skin that I have ever seen... All of my memories that I had with Dale always included her #1 caregiver, daughter, nurse etc... Donna Frank has always taken excellent care of her mom!!

Donna I know that you are going to be lost without having your mom beside you. But I pray that you get some comfort knowing that she is no longer in pain...

My heart breaks for you and your family during this difficult time. I am always here for you if you need me for anything! With lots of love, Bick
