LeighAnn was one of my mama's nurses at Shady Acres. She was really good at her job. She was caring and so efficient! We laughed and bantered a lot. I will surely miss her presence and the lighter moments we shared! She had to be really special because as a former nurse it takes special people to work at homes that care for the elderly. That is a calling, everyone cannot do it! She did it well! You should be very proud of who she was!

What a sweet angel heaven has! She cared for my husband at Shady Acres and I was very fond of her. I never worried when Leigh Anne was on duty. Miss her very much!
