“ you were more like a sister than a cousin, & could always make me laugh. i still can't believe you're gone, i keep waiting for a phone call saying "april fool's, just wanted to see how much you all really cared!" - it's my way of coping, i guess. now that you're a guardian angel, please look in on sage & me every once in a while, when you're not busy playing crazy rummy or looking after your own grandbabies. i miss you, dee, & we love you so, so much. we'll see each other again one day.
