“ *Shiryl - I am sorry for the loss of your mother. May God wrap you in his arms and comfort you and may it ease your pain to know that others do care.*

*Lots of Prayers!

I also would like to remind you that Mother and I will never forget the kindness your boys showed Mother years ago. She was in a wreck and they witnessed it. Those precious boys stopped and waited for the police to arrive. They talked with the police and let them know it was not Mother's fault. That is one act of kindness we will never forget!!!
