“ I have so many precious memories that myself & our family have thoroughly enjoyed over the years with Aunt Frances. We always looked forward to spending time with her & the family everytime we were in town. It was just a given, that we were going to see her. She was one of the best...the most loving, fun to get to spend nights with growing up, could sing beautifully, God fearing, and I just Loved her so much!

“ *I have sat at Sis Frances’ table to eat as a young person, then as an adult I have worshipped the Lord with her during church services. One day soon we will be able to sit down at the Savior’s table together with all the other saints and worship the Lord together forever with no cares of the world and our bodies will be healed. What a day that will be, I am looking forward to that day in Heaven!*
