“ I sure hatted to hear about the passing of Freddie. He will be missed by many love ones and friends. I knew Freddie when he worked at the Gas Company. We worked at PCC for years. During this time we had a lot of good times. Parting, fishing trips etc. Due to sickness I have not been getting out that much in years. Had not seen him in a while. When I saw someone that knew him, I would ask about him. My condolence to the family.
