

Gary Lynn Floyd

January 17, 1971 - December 31, 2024

Mr. Gary Lynn Floyd, age 53, of Nicholls, Georgia, passed away at his residence on Tuesday, December 31, 2024.

Gary has been a son, brother, cousin, nephew, friend and father. He was born January 17, 1971 in Pensacola, Florida, to Vernon Berry Floyd, Sr. and Beverly Ann Hughes Lunsford. Gary grew up learning to weld, being taught by his father, Vernon, at his father's shop. He worked at his dad's shop for several years, then was sales manager for Midway truck Parts. He loved race cars, working on cars and trucks, and mud bogging. He loved one thing better than all else, his true love, his beautiful daughter, Gracy. He loved his little "peanut"! He tried to teach her to weld, but she was not very interested in that! After Gary's partial recuperation from the stroke, he set up a repair shop at his home. He was always looking up, being positive about things. When someone asked him how he was doing, he'd say, "if I had a tail, I'd be wagging it!" He will be remembered most for his smile, his laughter, and his zest for life. We will continue see Gary in his beautiful daughter, Gracy!

Along with his daughter, Gracy, his father, Vernon Berry Floyd, Sr., and his mother, Beverly Ann Hughes Lunsford (Marty), Gary is survived by 4 brothers: Berry Floyd of Willacoochee, Georgia, David Jason Gideons of Panama City, Florida, Daniel Floyd of Copers Cove, Texas, and Tyler Douberly of Douglas, Georgia; along with the mother of his daughter, Stacy Floyd. Several aunts,

uncles, cousins and extended family and friends also survive.

A celebration of Gary's life will be held at 11:00 AM, Monday morning, January 6, 2025 at Saving Grace Ministries with Rev. Cliff Kirkland officiating. The family will have a private inurnment at a later date.

“ Gary was an AMAZING friend to me. We spent alot of time together and he loved to cook. He loved working in his shop. He loved his best friend Shane. He loved his brother Barry. He loved his parents. But most of all he loved his daughters Gracie. He talked to me about these people all the time. He also loved his animals. After his accident he didn't give up he was determined to keep pushing and working and I loved that about him. He worked through the pain and through any problems that came his way. I am really gonna miss you Gary. If I was ever bored or needed anything all I had to do is call you and you were ALWAYS there for me. You may be gone from this earth but you will never be forgotten. You will live on in my heart and mind. I'm sorry but I just can't go to your funeral it's just too hard for me. So I'm saying goodbye to you here my friend. ❤️
