“ *I was saddened to hear of George's passing. I worked with George for several years at Williams Foods. He was an excellent driver and delivery person who was well-liked and respected by his customers. The reason that Williams Foods is what it is today is because of loyal and dedicated employees like George. Through the years, we have been blessed to have had hundreds of fine representatives like him! It was an honor and a pleasure to have known and worked with George!
