“ *We lived next door to Gordon an Clarice 1979--1982 when our two children were born. As a young and new mother I could not have asked for any more "Special Friends and Neighbors" that helped in anyway if asked. What beautiful memories I have of such a great family. Clarice you are in my thoughts an prayers.*

“ *Mr. Gordon was a special man/friend. I could never thank him and Mrs. Clarice for being such a great friend to my mama, including her when she went out to eat or went places, shared their grandchildren with her. Mr, Gordon could say things in front of my mama that nobody else could and not make her mad..lol, she enjoyed so many laughs with them, the Collins and Williams. When mama moved in with me, one thing she missed was y'all getting together but health issues changes things. I love Mr. Gordon and Mrs. Clarice they were there with my mama when I went thru some hard times and y'all were there for both of us, words can not express my appreciation. Raymond and grandchildren praying for comfort and peace.*
