“ To the Grantham Family,
I loved Ms Grace. She truly lived up to her name. I often told her that....that she was truly one graceful lady! She was so sweet and shared her love and home with so many people. The past several years I was blessed to have been "blessed" by her gracefulness! She would call me, write cards to me, etc. Sometimes, she would call and say, Jewel, it's been a while since you've been, just come sit with me one day. O, how I enjoyed those visits! Spending time with Ms Grace was like being home with Mama and Daddy or being back with old neighbors. She just made me feel so loved and welcomed. One of the last times I went to Liza's to eat, I called her and asked if I could stop by for a short visit. I did. I felt like that would probably be my last time. She was very frail, but still Ms Grace! It was a short, sweet, lovely visit. We had prayer together as always and she told me she would see me in Heaven if not here again. I loved Ms. Grace dearly. She will be missed, but she had many people waiting to welcome her HOME and my Mama was one of them!
May God comfort each one of you. Yall had the sweetest Mama!
Love,

Grace was one of the finest ladies I've ever been able to know. She was always full of smiles and laughter. Made a person feel happy just to spend a little time with her. She raised her boys to respect and honor her and I know the memory she leaves behind will have no regrets but lots of love. Prayers and love for you Zip, Jimmy and Van.
