“ Aunt Hazel,

You've been a second mama to me all my life. Your laughter would automatically bring joy to my day.. You kept reminding me to have faith in Jesus Christ. We talked about what heaven will be like with the biggest smile on your face, you knew heaven was your home .

You're not really gone, I hold you in my heart . You made a positive impact on my life .

I already miss you. & will love you always. Give Mama and daddy hugs for me.
