“ *Me Hazel was a example of what Love really is. She was a precious lady that loved everyone. She loved the Lord and her church. She will be missed but now she's in the arms of Jesus.*

“ *"Miss Hazel" was the ideal of the perfect teacher! She taught everyone in my family and we all loved her. Before my Mother's surgery, she asked Miss Hazel if something happened to her "would she marry my daddy", because she knew Miss Hazel would take care of us).!! This was related to me by Miss Hazel at a school reunion.*

She will be missed and remembered by all who knew her.

“ Hazel, I always loved you so much! My family always heard the story of you giving my Daddy, Daniel O'Steen, five dollars to buy my mama, Narciss Batten her wedding ring. He was in the military and had no money? They began making eyes when they were first graders and were much in love all their lives. My daughter Mandy Miller wears that ring today. Prayerss to your family forever! Barbara O'Steen Kirkland.
