I(

My heartfelt condolences for the family. My thoughts and prayers are with you. As I reflect back over the years; I am blessed to have known this wonderful lady. She was my first boss and became one of my dearest friends. To truly know Ila the most endearing qualities were her warm smile and her infectious laugh. That's uppermost in my thoughts today. Warm embraces go out to the immediate family and her loved ones. Selfless love was her life's mantra. May she Rest In Peace and her loving spirit give comfort for the family.
