“ I have many memories of Ila Marie Peavey. One being after a service at campmeeting Bro C.T. and Ila Peavy, my daughter and I were walking to our cars talking about the many blessing that the Lord has provided through the years. My heart is sadden to hear of her passing. Also, my heart is rejoicing for my dear friend, for she has made it home. God bless and comfort this dear family. Norma Courson

“ Dearest Travis and family. My heart is heavy as I mourn the passing of Ila. However we all know that we will meet again soon. Our friendship spans many decades and the memories of our raising our boys to love God are priceless. Many other memories flood my mind as I remember the wonderful times we had. I probably identify with some of your feelings. Losing Ralph was like a part of me was taken away. God bless and rejoice for another loved one goes home. Nadean Lairsey. 9122861205
