“ Iliana was my friend since we were 15 years old. We attended High School in Puerto Rico & where we both took drama class. We also took fencing while in High School, Iliana was in the volleyball team & gymnastics. After Senior Prom we attended different colleges, eventually I joined the Army. We ran into each other in Germany when her children Nano & Irene were toddlers, that was a nice surprise. A few years later, I moved to Jacksonville FL. where we ran into each other again. This time she had a third child, Nolan. We had more adventures together, she helped get a job at the same office she worked. I can't believe she is gone, but I know we will meet again in heaven. Fly high my friend & save me a seat right besides you in heaven.
