“ I remember the first time she came to West Ward when Michael was just a toddler. When the altar call was given she walked down the aisle holding Michael by the hand and when she got almost to the altar she picked Michael up and without saying anything put him in Bertie Mae Wooten's lap and went to the altar and got saved. She had a made up mind she wanted to get saved and the rest is history +/- 50 years. Jackie told me that Sis. Graham had invited her to church. She was faithful to her Lord and is in Paradise now! Love you Jackie!
