“ *I love you and I miss you so much, I struggle everyday with grief you left a huge hole in my heart and it just seems to get larger with every passing day. I don't know how to make this pain go away or how to explain how empty I feel knowing that I couldn't help you. Please wrap your arms around me and Chris and hold us together , we love you and we miss our Big brother. Love you always, sissy*

“ *I miss you brother so much, I sure could use hearing one of your funny stories of fishing with Daddy and Uncle Haywood, you could have me laughing so hard that I would cry.*
