“ Kenny McClendon was truly one of a kind. He was one of the funniest people I've ever met, but he was truly one of the most genuine people I've ever met. He was humble and he had a huge heart. He was always there for us, whatever we needed. He'd show up at a festival and you could hear his voice over the crowd talking to people and selling raffle tickets or t-shirts to them lol. He'd show up for the Children of this Community. I don't know if he knew how much we really appreciated him, not just for what he did but for the way he did those things. He had a servants heart, always willing to do whatever it took to get it done. I can only imagine what a welcome he received in Heaven and the sound of Well Done My Son. This world will not be as colorful without him but Heaven will shine brighter. I am so Thankful that God put Kenny in our lives, we are better people because we knew him!  
My Prayer is for his Family and Friends that they have Peace and Comfort knowing that they will see him again.
