“ Aunt Linda,
I was devastated to hear about Jason and you are in my thoughts and prayers. I didn't hear about the service until this morning. I would have been there with you. He was a great cousin and I have many memories of playing around in Grandma's backyard with him and all the other cousins. Please let me know if you need anything at all. I love you!

With my greatest sympathy,

“ Ms. Linda, My heart truly hurts. I have cried, but also laughed as memories came to mind from some of the best years of my life. He loved playing tricks on me because he knew I was gullible enough to trust him. Jason had a heart of gold & will always hold a special place in mine. Praying for you all & sending my love.
