“ *Our Dad was a great fisherman and taught my brother Chris and I how to fish 🎣. We all shared the love of the ocean and boating. One of our best memories was a fishing charter the 3 of went on in Sebastian Florida, it was a great day and we all caught fish 🐟. That night we cooked a variety of what we caught and talked about the big one that got away. Dad may you Rest In Peace until we meet again. Love, Victor*
