“ So so shocked to see Johnnie Kate's obit just now! After wiping away spontaneous tears my mind started racing back to our growing up together. Johnnie Kate and Helen were the same age and Elma V. and I were the same age. We made many trips across the woods to each other's house. I can just picture your mom greeting us as we came through the back door and into the kitchen where she would always be cooking. Johnnie Kate and Helen were the same age and Elma V. and I were the same age. Elma V., it is not the usual course in life, but we both have now lost a younger sister. The whole Jones family is very special to me. Praying for each of you as life continues to unfold without our Johnnie Kate.

“ We have known Johnnie for years beginning as a teacher/parent relationship when I taught AI in middle school. From there she became my beautician and friend. Mom and I went to the shop for many years until Johnnie decided to retire. JA and AI changed my screened porch to a sun room. Johnnie came to see it and told JA she want one too. (Took awhile) but he made it happen. When we saw each other in Wal Mart, we spent a good bit of time catching up and enjoying the time. We last saw Johnnie and JA when the came to wish my mom a happy 100th birthday in July. Gerald and I will miss seeing JA, Johnnie, Elma, and Leroy at the Catfish House. She will be missed. Our prayers to the family continue. Gerald and Ruth Ann and Ruth Sevedge.

“ So saddened for the loss of your beautiful Johnnie Kate! I remember seeing her and JA together in Franklin Church, before they were married. It was obvious to everyone that they would be together, the love showed then and throughout their cherished lives together.

She was a beautiful, sweet, gracious and Godly woman. She will be missed!

We love you JA and family!

Y'all are in our hearts, thoughts and prayers.
