“ I am so sorry to hear of the passing of brother Johnny. We have known one another for 45 years plus. We lived in the same community back in the 60's. at the subdivision at the end of Bryan St.. My brother Russell and I (Van) would get together with Johnny and play football in the empty lot next to our house. At that time he was small in stature but big in heart.

I sit reminiscing of the yester years of those times and Thank God he let Johnny become a part of our lives. I know it has been a journey, and I have enjoyed it with friends like him.

I know with out a doubt he is beholding his reward, and he has heard those word spoken by the Lord himself "Well Done" he loved the Lord with all his heart. So with this memory I shared I can only say "TOUCH DOWN" Johnny! You have made it home.

“ When I came down for Walt's funeral, Johnny was so amiable & kind. Together with Aunt Jan, he made sure to show me that I was family and that I mattered. His love of Jesus Christ shone through in his actions not just toward me but all who knew him. The world has lost a fine example of a good Christian man. Thanks be to God that families can be together forever and that we will all be together again some day.
