“ Please accept my heartfelt sympathies. My heart goes out to the family. Death is something we will never get use to. In fact, God's Word refers to death as an enemy. (1 Corinthians 15:26) It is comforting to know that very soon our loving Heavenly Father, Jehovah God, will remove death once and for all and give us the opportunity to see our loved ones again here on the earth.

“ I offer the sincere condolences of my family and I. May the God of all comfort give you comfort during this most difficult time.
2Corinthians 1:3,4.

“ Joy was my sister's best friend and growing up with her in our home so often, I knew her quite well as a child. Joy was a happy child with a lot of warmth and love which she shared generously with those around her. She is now in heaven and I am quite sure she is smiling on all of those she loved today. I am also sure God is smiling at having her in her eternal home with him. With love, Barbara & Grady Vanzant
