“ *This beautiful lady was not only my sister. She was my best friend. I have loved this lady since the day she was born. We were always so close. Shared our darkest deepest secrets with each other. We laughed. We played and so many other things together. She was always my sidekick. She came to live with me when she was 6 years old and I feel like I helped to raise her. We have made so many memories together and she will be in heaven but will still remain in my heart!! I love you Kathy Deep!!! RIP MY SWEET SISTER!*

This is so sweet. I completely "GET" this, as this is EXACTLY how I am and feel about my sweet sisters. A part of you has left with her, but we know this is not the end. Cherish all the fun times and sweet memories and hold them close until you see each other again. Love ya.
