“ *I am so very sorry to just now hear about her passing. I would've been there had I known. You know how I feel about your entire family, I love all of you! Im sure she is happy to be reunited with DB and Duran! She lived a good life and you all WERE her life! Ive never met anyone any prouder of their kids, grandkids and great grandkids than she was. You all were blessed with unconditional love from her for sure. It's not all mothers that give that, I know. Im sure the holidays have been especially difficult this year but I will be praying for God to give each of you the peace and comfort that ONLY He can give. I love you all and if I can do ANYTHING, please do not hesitate to contact me. Im still working at Shady Acres and can always be found there. I love you all and May God Bless you all!*

“ *Debbie, Donnis, Denise, and Family - I am so sorry for the loss of your mother. I have known of Katrina I suppose almost as long as we have been in Douglas. My mother, Marion Boyd, worked with her at Leemar's (that was the name when Mother went to work there). Allow God to wrap you in his arms and comfort you. May it ease your pain to know that others do care. Our thoughts and prayers are with each of you.

“ I worked with her years ago at PCC and then was her visiting nurse. Always enjoyed talking with her. She is healthy and safe in the arms of God now. Praying for family.

“ I worked with her at PCC. I always just loved her and liked to talk to her. The last time I saw her was in the ER at the hospital. I know she will be missed. I know for sure she is loved by many. Rest In Peace My Friend.

“ I have many fond memories of our days at PCC. We shared great conversations of our family's and life. She will always hold a special place in my heart. I saw her when she was in ICU at the hospital she couldn't talk but I told her how much I thought of her. Sorry for your loss. Debra Wood
