“ *I have thought of him often since leaving Jerry Js 3 years ago. He was our senior coffee guy and a wonderful man. I saw him a few times afterwards and he would smile so big when you could see he didn't feel like it. Grateful to have met him. Prayers to all of the family.*

I meant Kirby about 16 years ago at Coffee County Gin. Although he was at first a customer of mine he quickly became my friend. During our many conversations it was evident Kirby was a man of character, expressing his love for his family & a strong work ethic. After his health diagnosis, he realized that he was in for a battle. During this time I saw great strength in him, unwilling to succumb & a firm determination to fight, never to give up. It made me proud to call him my friend & brother.

May you now find the rest & peace you deserve Kirby.
