“ *Sis. Sugar was the first woman that greeted Carl and I when we started Stone's. My grandkids loved her especially Alayna. She would set up in her lap and rocked. Also she would always go around and see everybody and hug and kiss them. Usually she was still talking when Bro Tim was trying to start the service she keep on until she had went around to everyone. She is going to be missed at Stone's. I will always here that voice asking how I am doing and where are those babies. But God called her home he needed her more up there then we did down here*

“ I would like to thank the family for the allowing me to spend time with Mrs. Shrouder, who became so dear to me. She was such an inspiration in the short time the Lord allowed me to spend in her life. Sweet precious memories are stored in my heart with all my love for her and her loved ones. She always had kind words and that sweet smile with no wonder she was called "Sugar". May she sing with the angels in heaven and spend eternity with our father in heaven, Jesus Christ. I may not know you as Mrs. Shrouder but I do know I will know you in heaven. May God richly bless you all.
