“ We have been blessed to know this sweet family for many years. Sister Linda always wore a smile on her face and Brother Mickey was usually the one putting it there because he is such a character. Sister Linda will be missed, but the good news is that one day we can all meet up with her again in the sweet by and by. Just keep strolling all over heaven Sister, then when we all get there the celebration can begin for all eternity. My thoughts and prayers are with the family in the days to come, that he will wrap his arms of love and comfort around each and everyone of you. We love you all. Love Allen and Catherine Dennison.
