“ She was one of the sweetest people I've ever known even in the morning that she opened the store and got robbed. She was so calm and collective call me and said Mona we've been robbed by the time I got there. she was sitting there drinking a cup of coffee like nothing ever happened. She had a heart of gold and it's been years since I've seen her, but we had some wonderful memories. She will be missed. May God bless the family and friends of Shorty
RIP
