“ I got to know Linda when I worked with her one summer at the library. I was still a student and the library was located in the log building next to the Methodist Church so you know it was quite a while back. Linda was young, beautiful, kind, caring and oh so funny. She talked so much about her children and how much she loved the outdoors. My time with her that summer was very special. I'm glad I was privileged to get to share a little bit of life with this awesome woman. I can guarantee you my mama has hugged her already. She loved Linda also. Love and prayers of peace and comfort to all of her family and friends.

“ I am so saddened to hear of Linda's passing. I grew up in Willacoochee and knew Linda and Warren. I haven't seen Linda in years, but I would buy syrup from her over the years. Praying for her family. God bless.

“ Holly and the rest of the family, I so much hated to learn of Linda's passing. I remember the good times she and I had growing up together and attending Rocky Pond Baptist Church. She was such a talented and sweet person. May God comfort you during the days to come.
