“ Lois, Doyle, and the boys, We may have been separated by miles but you have held a very dear place in our hearts! From when we first started homeschooling the kids, along with all the church memories, all the prayers, and tears, to having Andrew living with us to graduate with his high-school class. You have been and always are dear friends, picking up where we left off was always easy.

“Lois was such a sweet and kindhearted classmate and friend of mine. She always had words of inspiration to share and a woman of strong faith in the Lord. Even during her time of illness she would lift others up in prayer. Heaven is rejoicing as an angel has been called Home. I will cherish Special Memories of a Beautiful Soul.

“ *Lois Baker is one of the sweetest people I have ever known. Her love for the LORD spilled over into her love for people. I loved joking with her. She will surely be missed here...but precious in the eyes of the LORD is the death of his saints.*

“ *Drew, it was an honor to meet your mama in 2019 and to find out through both of our research that you and I are 6th cousins through the Vickers. I enjoyed talking with her about family genealogy. I know she loved her family so much, and I pray for comfort, strength and peace for her family and friends. Love to all.*

I knew Lois thru the school days and those idol days hanging around Wheeler Park. It was an honor to be included in her small group of most trusted beloved friends. She was always an angel and now she has her wings. She will be missed by all that knew her well and those who knew her only briefly.
