“ *I only knew Ms Lola from her stay at Vista. I would always speak to her at dinner and she was always positive. I could tell she was a kind and gentle soul.
I would always ask her how she was and she would say ,alright I guess. She is definitely alright now. She is seeing the face of Jesus. Nothing could be better.
Prayers for her family in this time of grief.*

“ I have several memories of Miss Lola, all of them good. She was
always kind to me and I remember sitting and talking about life with
her when I was so young. I still have her pickle recipe she gave me
at least 3 times over the years because I was always moving and
always losing it. When I called , she was always gracious, would
laugh and give it to me again. She raised good strong children. A
wonderful woman.
