“ *My memory will miss favors one day we were at Melanie's house and she was cooking some hamburgers. And she would roll those hamburgers and pat them out so fast. That's like man that woman is fast. She was one of the toughest women I've ever known. She inspired me to be strong. Her presents will be missed.*

My memory of Mrs. Faye was one day we were at Melanie's house cooking hamburgers. Mrs. Faye would roll those burgers so fast and talk at the same time. I was like man she is fast. She could talk and work so fast. She was one of the strongest women I have ever known and beautiful at the same time. Her presence will be missed.

“ *My special memories of Faye go back to the days she and Jimmy lived in Ft. Pierce down the street from Aunt Mae and Uncle Chester on Rolyat Street. She and daddy did many home projects together. There was nothing Faye couldn't do. She had a beautiful heart and loved her family so much. She loved her extended family as well and would help anyone. My thoughts and prayers are with all of you - children, grands and great grands and Raymond too. ❤️❤️❤️*
