“ *I went to school with Marty from the seventh grade on. He always had that beautiful smile and was so kind. Marty was handsome on the inside and out. Everybody loved Marty! May God be with each of you as you go thru the difficult days and months ahead. Connie and Mike, no one could have done a better job of taking care of him than you did. Remember that!!!*

“ Always thought a lot of Marty and so did daddy (Bob Davison). He was always smiling and laughing, especially when he and daddy were down at the old Bay Station on Ward Street. When I was a boy, I remember Marty working for the National Linen Service. I've know him for most of my life and have nothing but good memories of the many times that I was around him. Rest in peace Marty.
